Multiconference Information Society 2016 COGNITIVE SCIENCE CONFERENCE

Call for papers

This year Slovenian Cognitive Science conference will be held again as a part of the multiconference Information Society at the Jožef Stefan Institute, Ljubljana.

This year's conference topic will be **"Embodied cognition: from embodied robotics to enactive cognition"**, but papers from all areas and approaches to cognitive science will be considered.

We are happy to invite everybody, dealing with the subject of human mind to present your work and participate in discussion. We want to highlight the diversity of topics, problems, methods and insights that is characteristic for modern cognitive science, which is why we aim at the broadest spectrum of disciplines. Papers from all of the constitutive areas will be considered: neuroscience, philosophy, artificial intelligence, psychology, linguistics, anthropology, educational sciences, economy and other applicable areas. The program committee will especially value works with interdisciplinary nature, attempting to bridge the gap between discipline-specific research approaches, terminologies and viewpoints.

We will try to open space for networking, debate, and exchange of knowledge, connecting local and international, young and seasoned researchers.

Longer versions of selected papers will be considered for publication in the interdisciplinary journal INDECS.

Submission & review process

Please send an extended abstract of max. 4 pages (approx. 2000 words) including references by email, with the subject line " ISCOGSCI 2016", to: iscogsci@gmail.com. For information on formatting your extended abstract see the IS multiconference webpage: http://is.ijs.si/. Accepted papers will be published in the conference proceedings.

Deadlines & dates

Submission deadline: September 5th, 2016

Notification to authors: September 9th, 2016

Camera-ready papers deadline: September 16th, 2016

Date of the conference: October 13th 2016 (Note: in the case of large number of accepted papers, we may extend the Conference for an additional day on October 14th 2016.)

Further information

Conference will mainly be held in English, but submissions in Slovenian will also be accepted. Attending the conference is free of charge, but authors of papers must register (at http://is.ijs.si/) and pay the registration fee. For all students and alumni of the MEi:CogSci program conference fee is 50 eur, for others 100 eur.

Conference is organized by the Slovenian society for cognitive science in the scope of multiconference Information Society. For further information see also the multiconference webpage http://is.ijs.si/.

Multikonferenca Informacijska družba 2016
KONFERENCA KOGNITIVNA ZNANOST

Vabilo za prispevke

Kot je že tradicija, konferenca Kognitivna znanost, ki bo oktobra potekala v okviru multikonference Informacijska družba 2016, tudi letos vabi vse raziskovalce, ki se dotikate področja kognitivne znanosti, da predstavite svoje delo.

Tema letošnje conference bo **"Utelešena kognicija: od utelešene robotike do udejanjene kognicije"**, vendar bodo obravnavani prispevki z vseh področji in pristopov h kognitivni znanosti: od nevroznanosti, filozofije, umetne inteligence, psihologije, jezikoslovja, antropologije do edukacijskih ved, ekonomije in drugih aplikativnih področij. K spoznanjem na področju raziskovanja duševnosti vsaka disciplina prispeva specifične raziskovalne pristope, svoj znanstveni jezik in temu primerne formulacije spoznanj. Zaradi raznolikosti pristopov je vse bolj jasna potreba po sintezi.

V upanju, da bo letošnja konferenca odprla prostor za povezovanje spoznanj domačih in tujih, mladih in izkušenih raziskovalcev, **vabimo vse, ki bi si želeli predstaviti svoje raziskovalne rezultate ali teoretsko delo**, da pošljete svoje prispevke. Pri izbiri bodo imeli prednost prispevki interdisciplinarne narave, ki bodo poskušali premostiti vrzel(i) med raziskovalnimi pristopi, terminologijami in pogledi posamičnih disciplin.

Strokovni odbor bo nekatere izmed prispevkov predlagal (v razširjeni obliki) za objavo v interdisciplinarni reviji INDECS.

Oddaja prispevkov & recenzentski postopek

Prispevke pošljite v obliki razširjenih povzetkov (do 4 strani vključujoč reference; ca. 2000 besed) na naslov iscogsci@gmail.com (v naslov sporočila dodajte frazo "ISCOGSCI 2016").

Navodila za oblikovanje prispevkov (template) se nahajajo na strani IS multikonference (http://is.ijs.si). Sprejeti prispevki bodo objavljeni v konferenčnem zborniku.

Roki & datumi

Rok za oddajo prispevkov: 5. september 2016.

Obvestilo avtorjem: 9. september 2016.

Rok za oddajo končne verzije prispevkov: September 16th, 2016

Datum konference: 13. oktobra 2016, Ljubljana, Institut "Jožef Stefan" (v primeru večje količini sprejetih prispevkov pa še 14. oktobra 2016).

Nadaljnje informacije

Konferenca bo potekala predvsem v angleščini, sprejemali pa bomo tudi prispevke v slovenščini.

Vstop na konferenco je prost, avtorji prispevkov pa se morajo registrirati (na http://is.ijs.si) in plačati kotizacijo. Za vse študente in alumne programa MEi:CogSci je prijavnina 50 eur, za vse ostale pa 100 eur.

Konferenco v okviru multikonference Informacijska družba organizira Slovensko društvo za kognitivno znanost. Za nadaljnje informacije glejte domačo stran multikonference: http://is.ijs.si/.
