

4th MAGNETIC RESONANCE BALKAN CONFERENCE

MRBALKAN
Slovenia 2017

14-16 SEPTEMBER, LJUBLJANA, SLOVENIA

The conference is supported by the International Society for Magnetic Resonance in Medicine (ISMRM), and aims to promote MRI by bringing Balkan radiologists and researchers together and acquainting them with the state-of-the-art in **multi-modal MRI**. It will combine engineering and clinical sessions, and cover fundamentals of MRI as well as cutting-edge research developments in the field. Registration fee is 50 euros.
