

# International Neuroscience Conference, Pécs 2024

Pécs 25-26 January, 2024

Dear Colleagues!

We cordially invite all neuroscientists to participate in the **International Neuroscience Conference** (known in former years as 'IBRO Workshop') organized by the University of Pécs on **25<sup>th</sup>-26<sup>th</sup> January 2024 at the Medical School, University of Pécs**. This will be an outstanding scientific event in which novel and groundbreaking results will be presented in the forms of Plenary lectures, Symposia, and Poster sessions.

**LOCATION:** Medical School, University of Pécs, Grastyán Endre Theoretical Building (new block), 7624 Pécs, Szigeti rd. 12.

**DATE:** 25-26 January 2024 (Thursday-Friday)

**Due to the great interest, the early registration and abstract submission deadlines have been extended.**

**Early registration deadline: 1.12.2023.**

To register and book accommodation, [please click here](#).

**Abstract submission deadline: 1.12.2023.**

Information about abstract submission is available by [clicking here](#).

**For more information, [please click here](#).**

We feel honored that renowned international scientists will present their latest results, further emphasizing the importance of Hungarian neuroscience research within the international community.

The program committee draws on long-standing collaborations between neuroscientists worldwide and invites all members of the Hungarian neuroscience community to contribute to a successful conference in Pécs.

**We are looking forward to a fruitful and successful meeting!**

*Zsuzsanna Helyes and Dóra Zelena (Chairs of the Conference)*
