

KEMIJSKI INŠTITUT

Vabilo na predavanje / Invitation to the lecture

**Professor Frank M. Scalzo**

Bard College, New York, USA  
Fulbright US Scholar, Faculty of Pharmacy, University of Ljubljana

**sreda / Wednesday 23. 5. 2018, ob / at 13:00**

Velika predavalnica Kemijskega inštituta /  
Great Lecture Hall, National Institute of Chemistry;  
Hajdrihova 19, Ljubljana

**The Utility of the Zebrafish Model in Behavioral  
Neuroscience and Toxicology**

Prof. Scalzo will describe the utility of the zebrafish model in behavioral neuroscience and toxicology, and he will describe results from studies examining the effects of nicotine on larval zebrafish behavior. In addition, he will describe collaborative work being conducted during his 2018 Fulbright scholarship at the University of Ljubljana.
